The Teamsters History Project

A Special Request from the International Brotherhood of Teamsters

June 3, 2015

Dear Brothers and Sisters:

The International Brotherhood is preparing a history book, *'Teamster Participation During Major Conflicts'* to honour the sacrifice of thousands of Teamsters who served in the American and Canadian Armed Forces throughout history.

Included in this work will be a list of all casualties incurred by Teamster members. Although there is much archived material to draw from, the list is incomplete as not all battle fatalities were reported to the International Union by all the local unions.

This is our opportunity to give recognition to as many Teamster members as possible for the sacrifices they made fighting for the right to freedom. If you or your extended family or friends have any information about a Teamster member who served in war, please direct it in writing to me, care of my secretary, Bernadette Bajo, at our Head Office; either by mail; Fax: 604-540-6073; or Email: bbajo@teamsters31.ca. You may have plaques, mementos, or medals in recognition of meritorious service which could provide useful information.

The Union greatly appreciates your assistance on this project.

Fraternally yours,

Stan Hennessy,
President
