

Thank You from Teamsters Local 31

Teamsters Local Union No. 31 would like to express our heartfelt thanks to our members, many of whom are continuing to work in essential services such as trucking, transportation, courier, warehousing, and public sector, just to name a few.

We would also like to thank all frontline healthcare workers – many who are fellow union members – for their efforts in keeping us safe. Your selfless service will see us through these troubling times.

In keeping with our long history of giving back to the communities in which our members work and live, Teamsters Local Union No. 31 has made generous donations to charities in order to assist the most vulnerable among us.

Again, thank you from the bottom of our hearts.
