

## **GVRDEU JOB ACTION UPDATE**

October 24, 2023

### **RE: PICKET LINES**

Dear Sisters and Brothers,

The GVRDEU has active Picket lines at Metro Vancouver's South Fraser Works Yard today in efforts to reach a fair and equitable contract.

South Fraser Works Yard  
6582 144th Street  
Surrey BC

While it is important to note that these picket lines won't directly impact Teamsters members, should you be required to visit any of these worksites for any reason, you adhere to the GVRDEU's picket lines and refrain from crossing them.

We will ensure that you receive timely updates as soon as new information is conveyed to us.

Fraternally,

Caley Fieldhouse
