

NOTICE TO ALL TEAMSTERS EMPLOYED AT THE METRO VANCOUVER

BARGAINING UPDATE

May 31, 2023

Dear Sisters and Brothers,

The Employer and the Union met in mediation on May 30, 2023. The Union is pleased to announce that the parties have reached a tentative agreement, which the Union is recommending be accepted by the membership.

The contract ratification vote will take place through online and telephone voting administered by a third-party voting administrator. Please make sure that the Union has your correct mailing information to ensure you receive your voting credentials.

Information meetings to go over the details of the tentative agreement will be held by the Union online through Zoom as well as in person. Once the Union confirms the dates of these meetings we will notify you through mail and the Metro Vancouver portal on the Local 31 website.

Fraternally,

Your Bargaining Committee
