MEMBERS AT BEACHCOMBER HOT TUBS WIN STRIKE!

VANCOUVER, BC - After 9 hard weeks on the picket line, our Sisters and Brothers at Beachcomber Hot Tubs ratified their best contract in history by 93% in favour after reaching a 4-year agreement with a \$1 increase per year including 10 cents per year into the Teamsters National Pension Plan.

At the commencement of the Strike, President Stan Hennessy assumed the chair in collective bargaining. He was supported by Business Agents Duane Bryan, Paul Simms and Mike Hennessy and the elected committee member J.T. Bains.

Our LOCAL 31 members showed heart and determination, and with the leadership of President Stan Hennessy, we won the strike!

What a proud moment for our Sisters and Brothers at Beachcomber Hot Tubs and Teamsters, Local Union No. 31!

The local union is also thankful for the assistance of Mediator Dave Schaub, the various unions and media which came out and supported the picketers on the picketline.
