Dear Brothers and Sisters,

I can thankfully report that as of today's date, all Local 31 members remain free of COVID-19 (Coronavirus).

Again, I remind all members to continue to follow preventative measures including washing your hands, covering your mouth and nose while coughing or sneezing with your sleeve or tissue and discarding used tissue directly into a waste bin, and to avoid touching your eyes, nose and mouth with unwashed hands.

I would also like to thank our respective staffs who unselfishly remain at work.

The staff at the Teamsters' National Benefit Plan remain on duty to ensure our members receive their short term and long term disability cheques in a timely manner. The staff is also there to adjudicate any new claims that might arise.

Furthermore, the staff looking after the Teamsters' National Pension Plan will also remain on duty to ensure our retired members also receive their monthly pension cheques in a timely manner. They will also be on hand to answer all inquiries our members might need answered.

The head office staff at Teamsters Local 31 and at our Prince George branch office will remain on duty to assist our members with all concerns. Our office staff are an invaluable asset that our Business Representatives and your administration depend on.

Again, as President of Local 31, I would like to thank all our staff members for their unwavering support.

Finally, to all the Shop Stewards at Local 31, on behalf of your entire Local Union Administration, we thank you for being the frontline leaders and rising-up to these challenging times. Your Local Union is very proud of your steadfastness and all that you do on a daily basis for our hard-working Sisters and Brothers of Teamsters Local Union No. 31.

In the event a quarantine occurs at anyone of our offices, your Union has created a Contingency Plan to ensure all services remain intact.

One thing I have always known, ***“when times become difficult, Teamsters, always rise to the occasion.”***

Fraternally Yours,

Stan Hennessy
President
