TEAMSTERS LOCAL UNION No. 31

AFFILIATED WITH TEAMSTERS CANADA AND THE INTERNATIONAL BROTHERHOOD OF TEAMSTERS
#1 GROSVENOR SQUARE, DELTA, BC V3M 5S1

People are talking a lot about all the work being done to keep our country running and well-stocked, but there are still so many unsung heroes. So we wanted to take an opportunity to specifically thank warehouse workers for everything they have been doing during the COVID-19 pandemic.

The work being done by members of the Teamsters Canada Warehouse Division during these unprecedented times is something to be proud of.

Know that the health, safety and well-being of everyone is our union's top priority during this crisis.

We have been in touch with employers, looking at the best way to collectively move forward together. In some case, extra pay and recognition as heroic essential workers goes a long way. It also shows that while working 10- and 12-hour days, you are not forgotten.

The national president of Teamsters Canada, François Laporte, and the director of the Teamsters Canada Warehouse Division, Jason Sweet, are not backing down. Moreover, know that 125,000 of your Teamster sisters and brothers across the country are behind you.

Have faith in your business agents and union reps. They are very experienced and highly trained people who are focused on your safety.

"Teamsters in British Columbia and the Yukon Territory are devoted to getting the job done safely", proudly states the President of Local 31, Stan Hennessy, "our members are working-hard under safer conditions to ensure the warehousing and transporting of medical supplies, food and all other vital products arrive across Canada and into the homes of Canadian Families and businesses".

Whether it is by rail, truck or forklift, the Teamsters deliver goods all the way to the shelves of your local grocery store. Teamster members are on the forefront making sure our Canadian communities transport the goods most of us take for granted.

We are all in this together, and Teamsters Canada thanks you for your amazing work.
