Teamsters Canada

*We are experiencing an unprecedented global health threat that is affecting our economies, our social lives and our physical well-being. As Teamster women, you are the ones on the front lines working to ensure that others are taken care of both in the workplace and at home. I want you to know that I stand with you, as do all your Teamster sisters in the U.S.*

*In times of crisis, Teamsters are the ones who ensure that food is delivered, that health care is provided, and other important services are continued even at great personal risk. I applaud you for your commitment, your strength and your support of each other. Our Union is great because of each and every one of you!*

*As they say, if you want to get something done, give it to a Teamster – especially a Teamster Woman!*

*Stay strong and stay healthy!*

*In solidarity,*

*Nina Bugbee  
Director, Teamsters Women's Conference*

*“If you want to get it done, give it to a Teamster!”*
