## Teamsters in Action: Coast2000 Members Move Giant Crane Enroute to Fort McMurray

After weeks of hard work, the Teamsters at Coast2000 have successfully moved parts of the PTC200-DS Ring Crane, the world's largest crane, from our Richmond, BC, container logistics facility to its new home in Fort McMurray, Alberta!

Shoutout to all the Teamsters who made this colossal project possible. The dedication and teamwork on display have been nothing short of incredible.

Check out these behind-the-scenes shots of the container stackreach machine in action and the incredible effort by our Teamsters.
