Dear employees of GFS Canada,

We are thrilled to share some exciting news with you about your friends at Sysco Vancouver. After a long and determined organizing campaign, the 200 warehouse workers at the Port Coquitlam warehouse have successfully joined the Teamsters Union. This is a significant achievement, and we proudly support our fellow union members at Sysco.

We are excited to remind you that the Teamsters Union is fully committed to starting and supporting a union for GFS Canada employees at the Annacis Island warehouse.

We highly encourage you to visit our new website, www.gfsteamsters.ca, which is explicitly designed for GFS drivers and warehouse employees. There, you can learn more about the benefits of joining the Union and fill in a Teamsters Application Form.

Joining the Teamsters Union can bring many positive changes to your work life. As a member, you can expect better working conditions, job security, higher pay, fully employer-paid health and retirement benefits and access to training and professional development. These benefits can significantly impact your personal and professional growth, and we are confident that they will enhance your overall job satisfaction.

We understand that joining a union is a significant decision, and we want to encourage you to carefully consider the value and importance of union membership. We strongly believe that the Teamsters Union can provide you with the support and resources you need to succeed in your career at GFS Canada.
