

TEAMSTERS LOCAL 31

STANDING UP FOR OUR MEMBERS AT METRO VANCOUVER:

Over the past week, Teamsters Local 31 Business Agents Murwan Salame and Mike Hennessy have met directly with more than 500 members employed by the Metro Vancouver Regional District who are receiving payments in recognition of their honouring of GVRDEU picket lines that affected Teamsters members.

From the beginning, Local 31 President Stan Hennessy made it a priority to ensure that our affected members were supported and taken care of. Working closely with Teamsters Canada President François Laporte, Stan helped deliver a strong and coordinated Teamsters response—demonstrating what can be achieved when our Local Union and our national leadership stand together with a common purpose.

We are proud of our members for standing strong, and we are proud to fulfill our responsibility to represent them, protect them, and ensure that no Teamster is left behind.

STRONG LOCAL. STRONG CANADA. STRONG TEAMSTERS.
