TEAMSTERS AT METRO VANCOUVER

Teamsters Local 31 proudly represents the hard-working and dedicated Multimedia Technical Specialists in External Relations at Metro Vancouver. This highly skilled team operates from Metrotower 3 and the Annacis Research and Event Centre (ARC) in Delta, a water resource recovery research facility and event venue on Annacis Island.

Their expertise supports all departments across Metro Vancouver, ensuring the seamless execution of live events, online engagements, board and committee meetings, and technical setups. Their contributions are essential to the smooth operation of the Metro Vancouver Regional District.

We appreciate Chris, Cody, Rich, and all the Teamsters at Metro Vancouver for their commitment and professionalism.
