

NOTICE TO ALL TEAMSTER MEMBERS IN THE MUNICIPAL PENSION PLAN

January 20, 2021

Dear Sisters and Brothers:

As you may recall, in the fall of 2020 we advised that the Plan Partners were proposing changes to the Municipal Pension Plan.

We have recently received notification that the Plan Partners have reached an agreement to move forward with the proposed design changes. The Board will complete a review of the agreement in March 2021.

Please visit the website at <https://mpp.pensionsbc.ca/plan-changes-overview> for more information.
