Local Union
No. 31**

This year, we had over 2,000 volunteers come together to help make our 52nd Annual *Show of Hearts Telethon* a huge success. You were integral in making a difference in the lives of BC kids with special needs and their families. Variety's board and staff are honoured to have had the opportunity to once again work with you.

We look forward to having you with us again on this most worthwhile and amazing journey!
