FREE FLU SHOT CLINIC

To all ADTA members and Teamster Local #31 members,

ADTA President Jennifer Brooks and Teamster Local Union No. 31 Secretary-Treasurer Richard Van Grol have been working together and have organized a Free Flu Shot Clinic for all School District Union members. The free clinic will be held at the ADTA Hall but will require pre-registration to ensure we order enough doses for all that are interested. At this point we are only offering the one date but, based on the response, it may be offered again on a different day. Sign up soon to avoid disappointment.

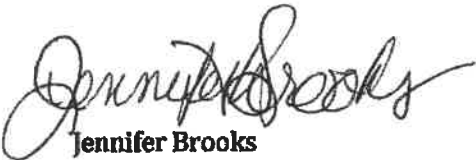

Location: ADTA Hall
Address: 2570 Cyril Street, Abbotsford
Date: November 22nd, 2017
Time: 2:00 – 4:00 (Drop in but pre-registration required)

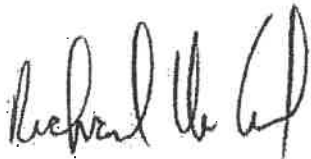

To register please go to the ADTA website <http://www.adta.bc.ca/flu-shots.html> and sign up to receive a flu shot given by a local pharmacist.

We hope that any interested union members will come down and take advantage of this great opportunity to add a little additional protection as we head into a busy flu season.

Deadline for pre-registration is Tuesday, November 14th.

In solidarity,

Jennifer Brooks
ADTA President

Richard Van Grol
Teamsters Local #31 Secretary-Treasurer
