NOTICE TO ALL TEAMSTER SUPPORT STAFF AT SCHOOL DISTRICT NO. 34 ABBOTSFORD

NO PICKETS AT SD34 SITES STARTING JUNE 30, 2014

I have spoken to ADTA President Doug Smuland regarding the teacher strike and have the following to report:

The teachers will not be picketing any School District No. 34 sites after Friday, June 27, 2014 therefore all Teamster support staff should report to work at their regular work sites at their regular start times with the assurance that they will be able to gain entry and perform their duties.

I have also been informed by the District that it is extremely unlikely that Summer School will occur this year. They are waiting for a ruling from the Labour Board whether portions of the program could be deemed "essential service" but that is highly unlikely.

The Teamsters Union thanks each and every one of you who stood fast in solidarity with the teachers. You should all be proud to have upheld the basic principles of Unionism – we are all brothers and sisters with common causes and needs.

Fair and equitable wages, a safe working environment, and respect from the employer enables all workers the ability to feel pride in a job well done.
