Dear Abbotsford Teamsters Local 31,

On behalf of the Abbotsford District Teachers' Association, I would like to express my warmest thanks for your continued support during the recent weeks of our current job action. Your presence on our picket lines and the sacrifices you continue to make have not gone without notice by the teachers of Abbotsford.

As this struggle continues, and it appears by all evidence to be leading to further conflict, please understand that we are aware of the significance of your support, of the financial hardship your members endure from respecting our picket line, and of the level of unease this solidarity might have engendered amongst your members. This continued support will not be forgotten by the Abbotsford District Teachers' Association.

Thank you.

Respectfully,

Doug Smuland
President
