Thanks to Everyone at the Union Hall special thanks to Stephanie and Shane for their help and hard work in doing the November and January mail outs.

Guest:

Stewards: Training for stewards took place on November 16th Saturday at 10am at my office.

New Stewards: Always looking for new stewards, if you know of some please have then reach out to me.

Although we lost 3 stewards this year we gained 7 new stewards this September our total is now at 24; thanks to the 3 stewards who left and welcome to the 7 new stewards.

Important Please Read!!!

Contract update: We will be starting to put together committee and proposals near the end of this calendar year 2024 for January / February 2025 starting bargaining.

Early November: First mail out went out on Friday, November 8th with the return by November 28th for bargaining committee nominations and proposals.

The deadline was extended until January 2nd 2025 as the postal strike ended in December. I extended the deadline till 2 weeks after they returned to get any mail that was delayed by the strike.

During the last 2 weeks of November and all of December I went school to school and site to site to pick up mail (nominations and proposals) that people didn't want to try to put back in the mail when the strike started. Thank you to everyone who sent in proposals and nominations.

The week following the return of all the nominations January 2nd to January 9th I called all those who were nominated and asked if they wanted to stand on the ballot for bargaining committee. In total 31 people were nominated and 24 agreed to stand on the ballot. 2 classifications were elected by acclamation as only 1 person ran in the classification: Jaret Wiebe trades/maintenance, and Derrick Anderson Information technology. Congratulations to both of them.

Ballots: Ballots were mailed out on January 9th 2025 for election of bargaining committee for the 6 other classifications.

Please make sure you read the ballot and keep all information that was mailed to you. A reminder the deadline for the Ballots to be returned as per the letter sent is Friday February 7th 2025. This gives 4 weeks and 1 day for the return Ballots.

Only original Ballots and original return envelopes will be accepted for count to make sure only 1 ballot is cast per member. Read the rules and letter carefully before voting.

The Ballots will be counted the follow week and hopefully I will announce the committee around the 12 of February.

Once the committee is elected, we will meet and go over and put together the proposals and notify the employer that we are ready to start bargaining.

All communications for bargaining and updates on progress will be through the Teamsters portal and the Facebook page run by the Union.

Teamsters Canada Scholarships for Members: Open to all members at teamsters.ca/members/scholarships/ deadline is October 31 of each year.

Scholarships open to children/grandchildren of Members: The scholarships for children to apply for should be out in November, December and close March 31st for those graduating June 2025 and going to university fall 2025. Stay tuned for applications.

Discussion from past meeting about better access for staff to see IEP and Safety plans: This was brought up about the larger numbers and quarterly switching of students and staff in middle and high schools. The Union and a shop steward have had discussions with the District and are waiting for a possible solution to be brought back.

Still working on solutions:

Criminal record check: This is a requirement for your job and in the past the employer has sent you a link and you access the site, fill out your information and the site charges the employer.

The employer is now saying there is no longer an ability for the employer to pay on the employees' behalf and now you must pay for it and get the receipt for the CRC and submit it to the employer for reimbursement. Make sure you submit for reimbursement by emailing your receipt to criminalcheck@abbyschools.ca

EA working group: Recommendations have been put forward to upper management and we are waiting a response.

We received a response, and it was definitely disappointing to say the least:

Employer's response:

"To follow-up on last week's Labour Management Meeting and the EA Working Group, this was discussed at the Senior Leadership meeting in April and May. Commitments were made to improve culture and morale and review creative solutions to address end of day needs that arise. Apologies for the delay in following up with you on this matter."

Delegate Selection for 2026 Teamsters convention:

This year we will be doing a nomination for delegates selection for the 2026 convention, it will be later in the Year, I will keep you informed as more info comes out.

Lif Funding: How is it being used, this is something I will be looking at Next June, it may or may not get re-allocated.

Application process for Make a Future: Please familiarize yourself with this system, it is the new application system to apply for new jobs.

This system should still be learned as there is an option you can select to be alerted when new jobs are posted and be ready to apply quickly, it also allows you to pick what types of jobs you want to see.

Spark Rock: A new system for HR and for payroll includes vacation and sick days booking, and many other uses.

If you are not aware of this new system speak to your principal or vice principal, or email Hr.

Q. Have you heard about what is going on with K-12 Bargaining.

A. Last I was updated was in early December when I heard the K-12 was reaching out for people to volunteer to be part of the provincial committee. I will continue to monitor.

General Reminders

Workplace Violence:

- 18:9.7 speaks to reporting all workplace violence on district forms new reporting system coming soon will keep you posted.

- 18:9.7.1 speaks to a response time and further steps if needed.

Clevr system: The district has implemented a new system for reporting workplace violence. If your school/site has not had training, speak to your principal or manager about it.

If daily reporting and multiple incidents continue to occur at your school contact your steward, or Union.

If you ask for a follow up when filling out clevr make sure you pay attention to your email and respond to MySafety if they reach out.

Personal Cell Phone Use at Schools/work:

The district does not cover costs for personal phones. The district does not require Staff to use their personal phones for work. Employees should not use their personal phones for work and should use them only for personal use while on breaks.

I know it can be convenient to use your personal phones but please **stop** as it makes it harder to get them to put safety plans in place that don't require your personal phone when members continue to use them. It also makes it difficult to get the district to put in place proper electronics for staff to use for work if you're using your personal devices.

If you are one of the few employees who get compensated for personal phone use or are issued a district phone be careful what you have on and use the phone for, outside of work.

Training Allowance Page 116: The training allowance LOU is on page 116 of the old agreement. Please Read this.

If your manager asks you to train a new employee make sure to request the training allowance before doing the Training. Do so in writing and add the following questions. How many day's/Hours will you

need me to training the employees? Will you pay me the training rate of 10%? If they say no then tell them you don't want to train. If they say you have too, then do it and grieve it right away.

The district has designated the first Thursday of every June to be Instructional Support Staff Appreciation Day:

Topics of discussion for future meetings: Let me know if there is something you would like me to speak about.

A Reminder to update your address if you move with the following groups:

Your employer

Health and welfare office: 604-552-2650, <http://www.teamstersbenefits.ca/benefits>
benefits.pensions@teamstersbenefits.ca

Union hall: If you have moved in the last 2 years and are not sure if the Local has your correct address on file, please call Shane St. Jean in Dues 604-527-2702 or email sstjean@teamsters31.ca

This is very important for us and for the International, both for IBT elections and for updates.

For the Local it's important for mail outs.

You must update with each group as we don't share personal info.

Withdrawal cards: When you retire or resign: to stay a member in good standing you must take a withdrawal card. This makes sure you do not have to pay a penalty, or if you want to transfer your membership to a different local for a new job you have to be in good standing.

Custodians casuals and Clerical paid minimum wages for training: Trainee Lou in agreement page 109 108.

The district and Union are in discussions around the needs and parameters of this Lou and the restriction and use of this compared to the training rate Lou.

I would also love to hear the reasons behind people quitting:

- I do exit interviews with my members at other companies and would like to hear the reasons people are leaving.

It will stay anonymous, and your name will never be tied to your comments. I will use the comments to make the district more aware of how the employees perceive the employer
