SD34 Meeting Minutes April 6 2023

Custodial Day Meeting 1pm: 3 Attended

Evening Meeting 5:30pm: 5 Attended

Thanks to Everyone at the Union Hall

Guest:

Stewards: The next stewards meeting will take place April 18th 2023 at my office 4pm or as soon as you get there. The notice was sent out to all stewards at SD34. If you didn't get it let me know and I will resend it.

Training Allowance Page 116: The training allowance LOU is on page 116 of the old agreement. Please Read this.

If your manager asks you to train a new employee make sure to request the training allowance before doing the Training. Do so in writing and add the following questions: How many days/hours will you need me to train the employees? Will you pay me the training rate of 10%? If they say no then tell them you don't want to train. If they say you have to, then do it and grieve it right away.

Teamsters supporting CUPE 561: April 5th 2023.

I was out with 5 reps and the organizer yesterday with the Teamster truck in support of CUPE Local 561 who is on strike against their employer BC Transit. Drop by the picket line if you can and show them your support.

Posting rounds will come out next month for ISS (Instructional support staff). May is the first round - be ready.

Just a reminder about the new rule changes in the January Ratification.

School site reassignment process prior to May posting round, "See Ratification Document from January 12 2023 page 31".

Layoff Letters will be coming out shortly; please don't stress it's just for the school site, not the District, your job is safe!

Although the layoff notices read you only have 3 options, the main option is: Exercise bumping rights! The other two options are resign or retire.

Exercise bumping rights: this doesn't happen until the end of the summer. In the meantime you can apply for all postings through the round starting May until late August. See Page 97 of last collective agreement.

If you're unsuccessful after all the posting rounds, then you bump the lowest senior person in your classification in the District. "Down side is you don't have the choice of what site you go to."

Had Discussions around Meetings continuing next year:

A discussion about the lack of attendance, and what we should do for the meetings next year took place.

Most people were happy to have meetings held once every 2 to 3 months during the school year instead of every month.

Suggestions were October, January, April, and June. Still the first Thursday of the month.

This will be discussed again in May and June and a motion may be presented in June to change the meetings for the next year.

Old Business

New business

Next Meeting:

Will occur on May 4th 2023; as discussed in the last few meetings, I have changed the time from 6pm to 5:30 pm to see if we can get more people to attend. The custodial meeting will still be at 1pm but I'm open to suggestions.

November to June the meetings will be the first Thursday of the month.

General Reminders

Workplace Violence:

- 18:9.7 speaks to reporting all workplace violence on district forms new reporting system coming soon will keep you posted.

- 18:9.7.1 speaks to a response time and further steps if needed.

New Clevr system: The district has implemented a new system for reporting workplace violence. If your school/site has not had training, speak to your principal or manager about it.

If daily reporting and multiple incidents continue to occur at your school contact your steward, or Union

Personal Cell Phone Use at Schools/work:

The District does not cover costs for personal phones. The district does not require Staff to use their personal phones for work. Employees should not use their personal phones for work and should use them only for personal use while on breaks.

I know it can be convenient to use your personal phones but please **stop** as it makes it harder to get them to put safety plans in place that don't require your personal phone when members continue to use them. It also makes it difficult to get the district to put in place proper electronics for staff to use for work if you're using your personal devices.

If you are one of the few employees who get compensated for personal phone use or are issued a district phone be careful what you have on and use the phone for, outside of work.

Topics of discussion for future meetings: Let me know if there is something you would like me to speak about.

A Reminder to update your address with the following groups if you move:

Your employer

Health and welfare office: 604-552-2650, <http://www.teamstersbenefits.ca/benefits>
benefits.pensions@teamstersbenefits.ca

Union hall: If you have moved in the last 2 years and are not sure if the Local has your correct address on file, please call Shane St. Jean in Dues 604-527-2702 or email sstjean@teamsters31.ca

This is very important for us and for the International, both for IBT elections and for updates.

For the Local it's important for mail outs.

You must update with each group as we don't share personal info.

Withdrawal cards: When you retire or resign: to stay a member in good standing you must take a withdrawal card. This makes sure you do not have to pay a penalty, or if you want to transfer your membership to a different local for a new job you have to be in good standing.

I would also love to hear the reasons behind people quitting:

- I do exit interviews with my members at other companies and would like to hear the reasons people are leaving.

It will stay anonymous, and your name will never be tied to your comments. I will use the comments to make the district more aware of how the employees perceive the employer

Section 19 Grievances:

Reach out to your stewards if you think that something isn't right, "DO NOT WAIT"

Step 1 is 21 days for general grievances to have initial meeting.

14 days to grieve: Dismissals

21 days to grieve: Discipline

Day time Meeting:

Q. If they stop the grounds busing position what happens?

A. It's a pilot project until June of this year. If both parties agree it is working we will make them permanent positions and they will be posted.

If someone is in it that is not a bus driver they would return to their posted Job. If they apply in June and are successful they would transfer to the busing seniority list.

New posting application process came into effect April 3 make sure you're aware of how it works for the first round of ISS postings in May. This is the same system that has been used for external job postings it's just new to internal.

If you're not aware of how it works check your Abby schools email and ask questions if you need help.
