

NOTICE TO ALL TEAMSTERS EMPLOYED AT THE VANCOUVER POLICE DEPARTMENT

September 9, 2020

Dear Sisters and Brothers:

Re: Shape Your City - Budget 2021 – Survey Reminder

The City of Vancouver is inviting residents and those who own or operate businesses in Vancouver to provide input on priorities for City spending and offer their opinions on how the City is managing its finances.

If you are eligible, it is of the utmost importance that you take the survey and provide your views, especially in regard to budgeting priorities for policing. Whether you are eligible or not, we encourage you to share this information with friends and family who are able to take part as their input will assist in the preparation of the draft budget that will be presented to City Council in October, which includes funding for the VPD.

You can find the survey and additional information at <https://shapeyourcity.ca>. The survey closes on **Sunday, September 20th**.
