As the Vancouver Police Department's response remains fluid and adaptive, it is important that all VPD staff continue to follow the developing situation on a daily basis.

KEY UPDATES

- VPD Communicable Disease Prevention Plan
- Sleeping Rooms
- Returning to the Workplace

VPD Communicable Disease Prevention Plan

As per WorkSafeBC and Public Health guidelines, the Vancouver Police Department Communicable Disease Prevention Plan has been completed and is available to view [HERE](#) and on the VPD COVID-19 intranet site. This plan replaces the VPD COVID-19 Safety Plan.

Sleeping Rooms

This is a reminder that due to COVID-19, the sleeping rooms remain closed until further notice.

Returning to the Workplace

Working from home is managed on a case-by-case basis at a supervisory level. If a manager or supervisor has established that an employee can work from home (particularly during COVID-19) it will also be that manager's responsibility to determine when that employee should return to their workplace. Managers must also ensure there is sufficient physical space for all returning employees.

Section managers are reminded that the Pandemic Working Group does not determine if and when an employee can work from home and when that employee will return to their workplace.

Health and Wellness

CISM/Peer Support

Members are reminded that if they require support during the COVID-19 pandemic, they can contact CISM/Peer Support and *Vancouver Beyond the Blue*. Information on these services and other supports and can be found on the COVID-19 intranet website and on VPDemerg.ca.
