Operational Considerations

As an ongoing reminder, the VPD will not be taking the lead on any enforcement action regarding Federal, Provincial, and Municipal COVID-19 related orders. **Any enforcement action in relation to COVID-19 orders requires Car 10 approval.**

Final Day of the COVID-19 DOC

As previously mentioned, the COVID-19 DOC will be shut down today, and moving back to the Pandemic Working Group. Any COVID-related questions through the weekend can be directed to the DOC at 604-717-9444 or Car 10. However, starting Monday, June 22, 2020, all COVID questions should be directed to the new Pandemic Working Group number at 604-717-0512. Members will still be able to email their questions to the VPD Pandemic Working Group Mailbox at VPDPandemicWorkingGroup@vpd.ca.

Thanks to everyone for their service during this difficult period, and know that we will continue to address any issues that arise during the COVID pandemic.

Vehicle cleaning

Members are reminded to wipe down their vehicles at the start of every shift and throughout their shift as needed. PPE and cleaning supplies continue to be available at the kiosk.

Patrol vehicles are sanitized once a day with Vital Oxide, which has been confirmed as effective against COVID-19. A yellow sticker on the wheel indicates that the vehicle has been disinfected. Any vehicle suspected to have been in contact with the virus will be removed from service and professionally decontaminated by First Trauma before being returned to service.
