

BARGAINING SURVEY – LINK CLOSING
Wednesday, May 6, 2020 – 5:00 p.m.

April 29, 2020

Dear Sisters and Brothers,

During the last round of bargaining, the Union received much feedback with respect to how the membership wished to conduct business pertaining to bargaining. Many of the comments surrounded meetings, the gathering of information and how members would like to see technology utilized to accomplish these objectives. These comments were carefully considered by your Union and your Bargaining Committee spent a significant amount of time researching and creating a Bargaining Survey that seeks your input on various topics. Your responses will enable your Committee to identify and address your priorities with the Employer in the upcoming round of bargaining.

As of today, approximately **20%** of the membership has completed the survey. It is extremely important that you fill out the survey if you have not and to remind and encourage your co-workers to do so before the link is closed.

As per previous correspondence, please be advised that the link will be closed on **Wednesday, May 6, 2020 at 5:00 p.m.**

If you do not have the information required to access and complete the survey, please contact Stephanie at spike@teamsters31.ca, Karlene Bateman at kbateman@teamsters31.ca (via your personal email).

Please check for updates on the “Vancouver Police Department” and the “VPD Bargaining” portals on the Local’s website. If you need instructions on how to access the portals or the user ID and passwords, please contact Karlene Bateman at 604-527-2704 or Stephanie at 604-527-2705 or via email as listed above.

Thank you,

Karlene Bateman Olivia Kajander Mark Langham Sara Wotherspoon
