BARGAINING UPDATE

September 16, 2021

Dear Sisters and Brothers,

During mediation on September 15, 2021 the Union and the VPD were able to reach a tentative Memorandum of Agreement towards a renewal of the collective agreement.

The Union is setting up a process of electronic voting and meeting(s) to vote on the Memorandum of Agreement.

We would like to thank the members of the Union bargaining committee, Sis. Cathy Hall, Olivia Kajander and Bro. Mark Langham, for their hard work assisting at the bargaining table. We would also like to thank our members for your support and patience during the bargaining process.

Fraternally,
